An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Claims 12-17, drawn to non-elected inventions, have been cancelled.

Authorization for this examiner's amendment was given in a telephone interview with Michael H. Brodowski on October 1, 2003.

The following is an examiner's statement of reasons for allowance: Windig (U.S. Patent No. 5,672,869) is considered to be the closest prior art because it discloses a similar process. The case has been allowed because the claimed combination of steps would not have been obvious from Windig (U.S. Patent No. 5,672,869).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to E. Therkorn at telephone number (703) 308-0362.
